# Ladybug Numbers by 5's

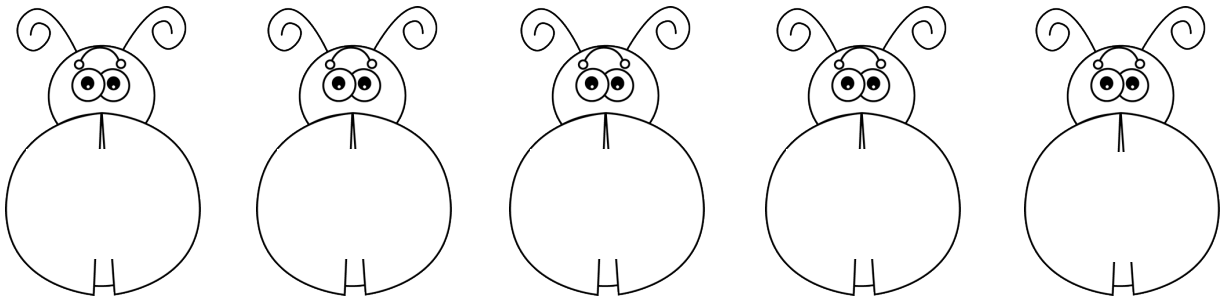

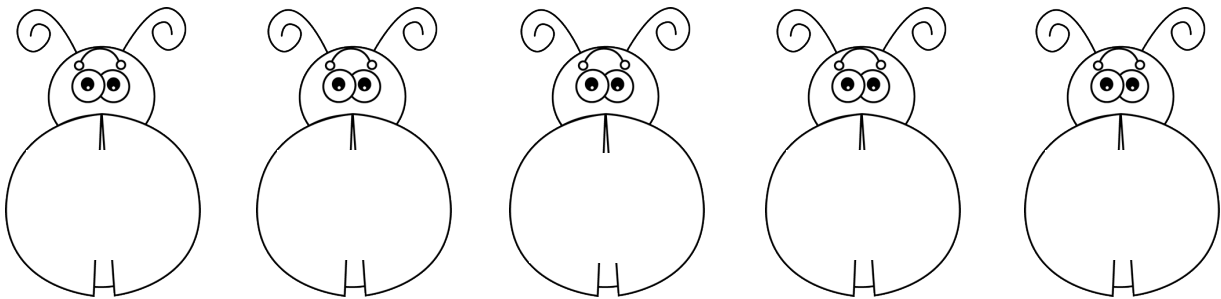

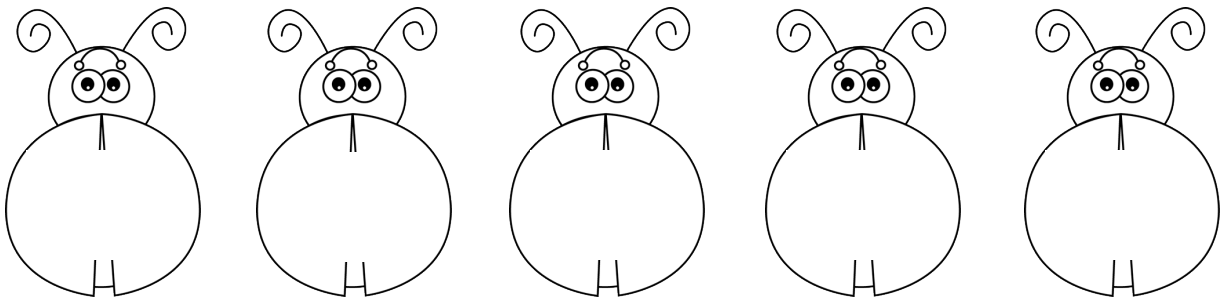

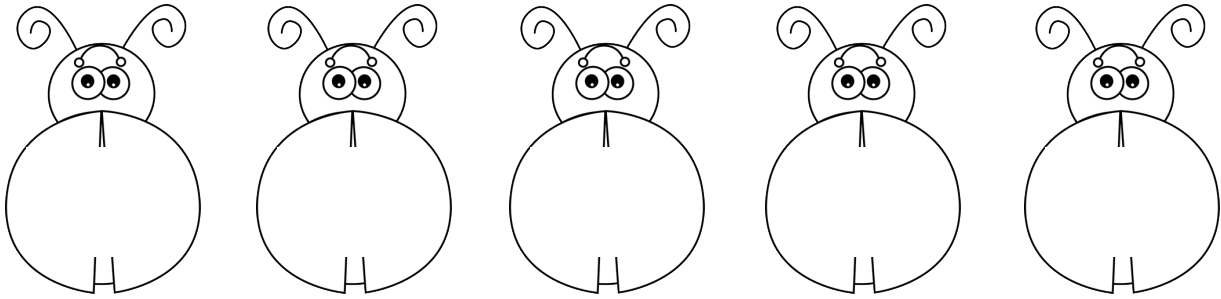

Fill in the missing numbers!

Name: \_\_\_\_\_

# Ladybug Numbers

Fill in the missing numbers!

I hope you enjoy this little freebie! It was my first product ever 😊 I have recently made a few changes that I hope you enjoy!

Use this for homework, independent work and number practice. Use the blank page to write whatever numbers your students may need!

Thank you to...  
Lovin' Lit for the LLFonts  
and to mycutegraphics.com for  
the ladybug graphics!
