

Hi Kinderprep families

I hope everyone is hanging in there!!

I just wanted to send a quick email to let you know that this week, I will be delivering a packet of papers to your door. These are all activities that we would have done together in class the 2 weeks after spring break. Please look on Marco Polo for directions and "work alongs".

*In school, we practice writing our name once a week. You will find 2 name sheets.

*Please read the Science Spin newspaper with your child at your leisure.

*I will do a video for the "Let's Find Out" newspapers. I will post it on Marco Polo and Instagram

*Please look for "work alongs" for the other worksheets. I know this does not replace our face to face time together, but I hope it can help your child feel connected to the classroom while we are apart.

If you have recently moved and we do not have your current address, please text me right away at 484-686-7777 so I can deliver to the correct address!

Please let me know if you have any questions!

xoxo

Ms Jennifer
