

Hello Preschool Families!

Before I get to the last little bit of resources for the year, I wanted to very quickly say THANK YOU for all of your support this school year. As many of you know, all three of my girls went through the Bright Beginnings Program - this school has been a part of our family for over a decade! When an opening presented itself to come over from the district, I didn't hesitate for a second to continue being a part of this incredible program. Bright Beginnings is a family, a fact that has never been made more clear than these last few weeks. I love each and every one of these little people and thank you, from the bottom of my heart, for letting me be a tiny piece of their lives. I do and will miss every single one of them so very much. I hope you will never hesitate to come say hello or give a hug! Nothing makes me happier than watching them grow :)

A couple of quick reminders -

\*Binders and artwork need to be picked up prior to this Friday, May 8th! Please see previous email for that information.

\*Our graduation drive-thru is THIS Friday! Please enter the parking lot off of SW Walnut (I've attached the map below).

- 5 Day, 11:45-12:00
- 4 Day, 12:30-12:45

We are SO excited to see everyone!! Please tag us in any pictures/videos you post - we would all love to see them!

Lastly, here a few resources for our final week. I will post a video with formation, phonetics, and sign language of the letter Zz. I will also be doing a video singing the alphabet in sign language. If you go to our YouTube page, there is a video that reviews ALL of the letters. In the attached resources file you will find:

- All About My Mom - for you Dads, if you're looking for a quick, easy Mother's Day gift!  
You could easily make this for Grandma's too :)
- Flip Flop Coloring
- Flower Roll & Color
- Mothers Day Roll & Graph
- Letter Z Page

As always, please let me know if you have any questions. You can get in touch with me throughout the summer at this email or by text (phone number below). I will also keep our Marco Polo and Instagram accounts active until August. Thank you, again, for being the wonderful, amazing families that you are. I wish we had had more time together, but I am so grateful for the time that we did. It's not goodbye, it's see you later!

All my love, Ms. Tiffany
